NEW 'W' TIP DESIGN FOR FASTER DRILLING + LONGER LIFE

Supplied on Euro hangers and sold individually.

NEW high quality SDS plus hammer drills designed to give faster cleaner drilling in materials including concrete, granite, brick, and stone. Shot blasted finish reduces drill fatigue. New 'W' type tungsten tip and single flute for fast and efficient spoil removal. Heat treated for hardness. Suitable for use in all hammer drill machines with SDS plus fitting. When drilling more than 400mm deep pre-drill using a shorter bit of the same diameter.
